PETITION FOR WITHDRAWAL OF ABANDONMENT UNDER 37 CFR § 1.181(a) OR,
IN THE ALTERNATIVE, PETITION FOR REVIVAL OF AN APPLICATION
ABANDONED UNINTENTIONALLY UNDER 37 CFR § 1.137(b)

MS Petition
Commissioner for Patents
P.O. Box 1450
Alexandria, VA 22313-1450

As provided in MPEP § 711.03(c), the undersigned attorney as Representative for the Applicant, believes that the above-identified application was improperly abandoned by the Office, and hereby petitions for withdrawal of abandonment based on the following facts and information.

Applicant's undersigned attorney just recently become aware that an Office Action on the Merits was apparently mailed on September 3, 2008. The Notice of Abandonment was mailed on March 17, 2009, and received by Applicant's Representatives, Schwegman, Lundberg & Woessner P.A., on March 30, 2009.

As set forth below, to the knowledge of the undersigned attorney after reasonable investigation, the Office Action on the Merits was never received by the undersigned law firm. The fact that an Office Action on the Merits was mailed on September 3, 2008 was unknown to the undersigned attorney, until the Examiner's telephone call to the undersigned attorney. The undersigned attorney does not recall the date of this telephone call, and the Notice of Abandonment does not note the date of the telephone call. The undersigned attorney, to the best of his recollection, asked Examiner Basehoar if it would be possible to re-mail the September 3, 2008 Office Action to Schwegman, Lundberg, & Woessner, P.A., and restart the period for response to the re-mailed Office Action. Once again, to the best of the undersigned attorney's recollection, Examiner Basehoar was uncertain whether he would re-mail the September 3, 2008 Office Action, or issue a Notice of Abandonment. To the best of the undersigned attorney's

recollection, Examiner Basehoar stated that if a Notice of Abandonment was issued, revival would not be a problem since the abandonment was obviously unintentional.

Pursuant to 37 CFR § 1.181, and pursuant to 37 CFR § 1.137(b), Applicants respectfully request the withdrawal of the holding of abandonment of the above-identified patent application, based on a failure to timely respond to the Office Action on the Merits mailed September 3, 2008. In the alternative, the Applicants respectfully request revival of the present application as the delay in responding was clearly unintentional. Thus, the Applicants assert that the entire delay in filing the required reply from the due date for the reply until the filing of this grantable petition was unintentional.

SHOWING TO ESTABLISH NONRECEIPT OF ORIGINAL OFFICE ACTION ON THE MERITS

Searches of the both the physical file and the docket records for Applicant's Representatives, Schwegman, Lundberg & Woessner P.A., indicate that the Office Action on the Merits dated September 3, 2008 was not received.

Included herewith in Exhibit A is a complete copy of a docket record of Schwegman, Lundberg & Woessner P.A. identifying all PTO Documents received for the period starting on September 3, 2008, the date of mailing of the Office Action on the Merits that was not received, and extending for a period of four months from that date. Although the established period for response to the Notice was only three months, out of an abundance of caution, a complete docket report for four months is included.

Applicants' undersigned attorney submits that the aforementioned docket report shows no Office Action on the Merits for the present application was received during the identified time period. It is believed that such showing is fully adequate to demonstrate non-receipt of the subject Office Action on the Merits.

Accordingly, Applicants respectfully request the withdrawal of the holding of abandonment based on Applicant's failure to respond to the subject Office Action on the Merits that was not received by Schwegman, Lundberg & Woessner, P.A. In the alternative, the Applicants respectfully request revival of the present application as the delay in responding was

clearly unintentional. A complete response to the Office Action on the Merits is included herewith. A copy of the Notice of Abandonment is also included herewith. The Applicants assert that the entire delay in filing the required reply from the due date for the reply until the filing of this grantable petition was unintentional.

Please charge Deposit Account No. 19-0743 in the amount of \$1,620.00 as required under 37 CFR 1.17(m), if the petition to revive an unintentionally abandoned application under 37 CFR § 1.137(b) is required. Please charge any additional fees or deficiencies to Deposit Account No. 19-0743.

The Petitions Examiner is invited to telephone Applicants' undersigned attorney at the number indicated.

Respectfully submitted,

SCHWEGMAN, LUNDBERG & WOESSNER, P.A.
